CHAPTER 1

# Introduction to Supporting Documentation

---

The *Supporting Documentation* supplement is part of the *Lana'i Island Water Use and Development Plan* (WUDP). This section presents the detailed information and analysis that support the development of the Lana'i WUDP.

Chapters 2, 3, 5 and 6 of the Supplement are identical to the corresponding Chapters 2, 3, 5 and 6 of the Draft Lana'i WUDP dated June 28, 2010 that was transmitted to the Maui County Board of Water Supply (Board) for public hearings and Board recommendations.

Chapter 4 *Demand Analysis* of the *Supporting Documentation* is identical to the corresponding Chapter 4 of the June 28, 2010 draft with the exception of the addition of several Resource Development Strategy Water Use tables that are edited moved from Chapter 7 of the June 28, 2010 draft.

Chapter 7 of the June 28, 2010 draft addressed Policy Issues and Recommendations. Chapter 7 of the Supporting Documentation has been amended by removing the recommendations as well as the table and text referring to implementing water allocations. The recommendations are now addressed in the *Lana'i Island Water Plan Provisions* section of the Lana'i WUDP. The water allocation table in the June 28, 2010 draft has been relabeled and is now included as part of the Resource Development Strategy Water Use Tables documented in Chapter 4.

Chapter 8 of the June 28, 2010 draft identified several implementing actions, including actions listed in an implementing matrix and several tables. Some of these implementing actions are now identified in the *Lana'i Island Water Plan Provisions* section of the Lana'i WUDP. Chapter 8 of the *Supporting Documentation* omits most of the text and tables from the previous draft but retains the Implementation Matrix with some deletions. The Implementation Matrix is re-characterization as a list of possible actions that could support the intent of the Lana'i WUDP.
